Bipartisan Support

“The HIV epidemic still plagues our Nation, with more than 38,000 Americans infected every year. In response, my Budget provides \$291 million to the Department of Health and Human Services to defeat the HIV/AIDS epidemic.”

-President Trump’s FY2020 Budget

“We do support the administration’s plan to reduce HIV transmission 90 percent in 10 years. So, we include the administration’s request..... But, we go even further.”
